

REGION TEST BD-VIDEO

For Checking BD Players, BD Recorders and BD Drives ABD-600A/ -600B/ -600C

1. Purpose of use, Features

ABD-600A/ -600B/ -600C are Test Discs designed for confirmation of Region Playback Control. Both NTSC and PAL system contents are recorded in one disc. In case the player recognize the Region Code normally, respective logo displays on screen, on the other hand, in case the Region of the player does not correspond, Warning displays on screen. Region code confirmation is very easy.
